Nominate for the 2023 prize

Nominations for the 2023 award are accepted and must be submitted by January 10, 2023. Use this web form to submit.

The span of disciplines and activities for which nominations can be made is wide and includes all disciplines which have relevance to the environment.

The research of nominees should be based on scientific grounds but must clearly show impacts outside of the specific discipline.

Please read the Nomination Guidelines before you nominate someone.
